SUBJECT: Underground Fuel Storage Tanks

We received three bids to furnish and install fuel tanks per the attached bid sheet. Based on the email from Ms. Stephanie Davis, It is my understanding the County wants us to proceed with the installation of the gasoline tank and they will reimburse us \$50,000.00 toward this installation. The low bid is from Baird Petroleum Equipment, LLC. at \$106,390.00. This cost does include the electrical work or any contingency that may be required.

Based on this information it is my recommendation that we enter into a contract with Baird Petroleum Equipment, LLC. to install both a 10,000 gallon diesel fuel tank and 10,000 gallon gasoline tank.
